

TPATH in February

Please [let us know](#) if you have news, job postings, recent publications, or anything else you'd like to see here. You can also find current job postings, member activism, and previous publications by members on the [member resources](#) section of the website.

Member Survey

Take 3-4 minutes to fill out our [survey](#). It will help us to understand who you are, where you're from, and what you would like to see us do, which will help us increase our diversity and plan general membership meetings. Your responses will be confidential and only seen by the [Leadership Team](#), though we may report some aggregated data, like countries of origin, on the website. Please only fill it out once and send us an [email](#) if you have any questions or concerns.

Member News

Activism

If you are a permanent resident of the US please consider sponsoring a Latin American trans asylum seeker. To do you can fill out the following [application](#) with the [Santa Fe Dreamers Project](#).

Social Media

TPATH has a [Google Listserv](#), website [forums](#), and a very active [Facebook](#). All require individual registration and are only open to trans and/or intersex identified folks. Please feel welcome to add friends and co-workers to the Facebook group, but remind them to answer the membership questions.

Volunteering

Please [let us know](#) if you are interested in volunteering or collaborating with us on these or other projects not listed here.

Leadership

We are actively recruiting folks from the Global South to take on [leadership](#) roles. Commitment is flexible and takes place primarily online with leadership meetings via Skype every 2 months.

Blog Posts

TPATH has a [blog](#)! Right now we mostly use it for expressions of solidarity and announcements. We'd love to make it available to folks that want to write posts about their experiences with and as trans healthcare providers. Please get a hold of us if you're interested in writing something.

What's up with the PATHs?

Please let us [know](#) if you're having trouble getting access to the WPATH or USPATH listservs. If you are a member of these organizations you are entitled to this.
