Please [let us know](#) if you have news, job postings, recent publications, or anything else you'd like to see here. You can also find current job postings, member activism, and previous publications by members on the [member resources](#) section of the website.

Member Survey

Take 3 or 4 minutes to fill out our [survey](#). It will help us to understand who you are, where you're from, and what you would like to see us do, which will help us increase our diversity and plan general membership meetings. Your responses will be confidential and only seen by the [Leadership Team](#), though we may report some aggregated data, like countries of origin, on the website. Please only fill it out once and send us an [email](#) if you have any questions or concerns.
