It isn't every month that one of our members wins an award, but this month we can congratulate Laura Jacobs (LCSW-R) for winning the [2019 Professional Standard of Excellence Award](#) from the American Association of Sexuality Educators, Counselors and Therapists! Mx. Jacobs won the award in recognition of her work to advance the field of human sexuality. You can follow her on twitter [@lauraajacobsnyc](#).

Please [let us know](#) if you have news, job postings, recent publications, or anything else you'd like to see here. You can find current job postings, member activism, and previous publications by members on the [member resources](#) section of the website. Also take 3 or 4 minutes to fill out our [survey](#), which will help us to understand who you are, where you're from, and what you would like to see us do. Your responses will be confidential and only seen by the [Leadership Team](#), though we may report some aggregated data, like country of origin, on the website. Please only fill it out once and send us an [email](#) if you have any questions or concerns.
