Social Media

TPATH has a [Google Listserv](#), website [forums](#), and a very active [Facebook](#) group that has over 800 members! All groups require individual registration and are only open to trans and/or intersex identified folks. Please feel welcome to add friends and co-workers to the Facebook group, but remind them to answer the membership questions first.

Volunteering

[Let us know](#) if you are interested in volunteering or collaborating with us on these or other projects.

Leadership

We are actively recruiting folks from the Global South to take on [leadership](#) roles. Commitment is flexible and takes place primarily online with leadership meetings via Skype.

Blog Posts

TPATH has a [blog](#)! Right now we mostly use it for expressions of solidarity and announcements. We'd love to make it available to folks that want to write posts about their experiences with and as trans healthcare providers. Please get a hold of us if you're interested in writing something.
