Member Resources

Check out the [Member Resources](#) section on the website for these and other aids.

Please take a moment to add your name to and make use of TPATHs [skill sharing and contact list](#).

TPATH member Florence Pare has put together an amazing notated list of academic journals for trans health in a [Google spreadsheet](#).

Social Media

TPATH has a [Google Listserv](#), website [forums](#), and a very active [Facebook](#) group that has over 800 members! All groups require individual registration and are only open to trans and/or intersex identified folks. Please feel welcome to add friends and co-workers to the Facebook group, but remind them to answer the membership questions first.

Volunteering

[Let us know](#) if you are interested in volunteering or collaborating with us on these or other projects.

Leadership

We are actively recruiting folks from the Global South to take on [leadership](#) roles. Commitment is flexible and takes place primarily online with leadership meetings via Skype.

Blog Posts

TPATH has a [blog](#)! Right now we mostly use it for expressions of solidarity and announcements. We'd love to make it available to folks that want to write posts about their experiences with and as trans healthcare providers. Please get a hold of us if you're interested in writing something.

WPATH Conference

WPATH has [announced](#) that they will be moving the location of the conference from Hong Kong. At this time we don't know where it will be, but it appears to still be the same dates (Nov 6-10/2020). Abstract [submissions](#) are open until April 30, 2020.

Please [let us know](#) if you see any errors, or have news, job postings, recent publications, and anything else you'd like to see here. You can find job postings, resources, activism, and publications in the [member resources](#) section of the website. Also take 3 or 4 minutes to fill out our [survey](#), which will help us to understand who you are, where you're from, and what you would like to see us do. Your responses will be confidential and only seen by the [Leadership Team](#), though we may report some aggregated data, like country of origin, on the website. Please only fill it out once.
