## TPATH in July

It's been a busy and successful month for TPATH members. We've published 1 scientific article, 1 report, 3 book chapters, and Zil Goldstein has been named one of the [100 Women We Love](#) by *GoMag!* Our Facebook group has zoomed to over 900 members and we're now busy planning our first conference on transgender health, tentatively scheduled for February 2021 (to be held online). If you have skills in fundraising and/or conference organizing and would like to lend a hand in this or any other area please [get in touch](#). Please also let us know if you see any errors, or have news, job postings, recent publications, and anything else you'd like to see here. You can find job postings, resources, activism, and publications in the [member resources](#) section of the website.
