TPATH in May

TPATH’s first ever conference, entitled Converging Crises: Transgender Health, Rights, and Activism in 2021, is set to take place from July 31st-August 1st. Registration is open and folks who submitted an abstract should expect to hear back by June 1st, 2021. Please check out our website for information on the conference and our Steering Committee. Please contact us if you are interested in volunteering to act as a session moderator.

Members have written six academic articles this month and our News section includes several interesting articles on global transgender healthcare, including one on AusPATH Vice President and TPATH member Teddy Cook’s historic speech to the Australian Parliament and another on historian Jules Gill-Peterson’s new book Histories of the Transgender Child (ed: I read it, it’s good!).

As always, let us know if you see any errors, or with news, job postings, publications, and anything else you’d like to see here or on the member resources section of the website. Don’t forget to join our Listserv if you’d like to get this newsletter sent directly to your inbox.

Calls for Research Participants

All studies are led by a TPATH member and actively seeking participants.

University of Massachusetts, Boston
The purpose of this research is to explore the mental health impact of COVID-19 and current climate of racial justice protests and outrage. Your participation in this study will take approximately 15-25 minutes. If you decide to participate in this study, you will be asked to answer questions about yourself and your experiences in a confidential survey. Questions will inquire about your well-being, various identities, and experiences during COVID-19 and the current climate of racial justice protests.

Rodrigo Aguayo

Brandeis University
Are you a trans / nonbinary adult (age 18+)? Do you live in the US or Canada? Has a professional refused to provide you with healthcare because of your gender? We want to hear from you! More information available on Facebook.

Beth Clark

University of Rochester
Trans-identified physicians are conducting research about medical records. If you are age 18 or older and a trans woman or trans femme non-binary person of color, you can participate in a group interview and receive a $25 USD gift card.

Ash Alpert

TPATH Info

Conference
Registration continues for our inaugural conference on July 31 to August 1, 2021. If you submitted a proposal you should expect to hear back by June 1st. Please check the website for more information and get in touch if you would like to volunteer, especially to act as a session moderator.

Website
Check out the Member Resources section on the website for these and other aids.

★ Please take a moment to add your name to and make use of TPATHs skill sharing and contact list.

★ Florence Pare has put together amazing notated spreadsheets of Academic Journals for Trans Health and Non-Binary & Genderqueer Academic Resources.

★ TPATH has created a Google Map to collect and track transgender health resources. Please add your entries.

Social Media
TPATH has a Google Listserv, website forums, and a very active Facebook group with almost 1100 members! All groups require individual registration and are only open to trans and/or intersex identified folks. Please feel welcome to add friends and co–workers to the Facebook group, but remind them to answer the membership questions first.
Volunteering

Let us know if you are interested in volunteering or collaborating with us on these or other projects.

TPATH has a blog! We'd love to make it available to folks that want to write posts about their experiences with and as trans healthcare providers. Please email us if you're interested in writing something.
